

Should We Celebrate Valentine's Day?

Valentine's Day, celebrated by many today as the modern day of love, occurs every year on February 14th. This day is cherished by some, but hated by others. Should such a polarizing day even be celebrated? PSB surveyed the public to see what they think.

Lovers

Critics

Is it a great opportunity to celebrate, or a day of forced gifts and unnecessary spending? Even the critics like gifts!

Top 3 Valentine's Day Celebrations

(Among those who plan to celebrate this year)

1. Go out to dinner
2. Exchange gifts
3. Spend quality time alone with spouse/significant other
